The British subject not only stands up bravely for his rights, but he is also vindicated the courts. A few days ago the success ful suit of an Englishman against a railroad company for damages caused by the detention of a train was described in this column. which splashed from the wall of the building A tailor testified that the coat did not cost originally anything like five pounds, and that made with persistent revision. Wordsworth, one; and on rising to take leave of the fendant's counsel put this question: "If a nonposing, was prone to a slate pencil and premier, Martinez Campos said: "Jovellar hansom cab splashes a man's clothes is he

General Campos is said to have de- gation to brush the coat. Judgment was acout contradiction. It is stated in letters from Lean's catarrh snuff. It soothes irritation uba, received here, that the appointment of and heals seres. Trial boxes 50c by mail.
